

Dutch Barn Preservation Society e-news, 6 May 2011

DBPS Members,

We are having or participating in a number of events in the next few weeks. Please come if you can. There are several opportunities to see and learn about our ¼ scale Dutch Barn Model. Here is a shot of it being put up last summer at the Altamont Fair:

1. May DBPS Board Meeting

We will be having our May Board Meeting on **Tuesday, May 17**, at 6:30-7:30, at the Mabee Farm in Rotterdam Junction. All are invited.

This will be a very busy evening!

2. Barn Model training Session, Tuesday, May 17

We will also have a training session for raising the Dutch Barn Model; **we could use your help at our events, and this will give you an idea of what we do, if you are interested in volunteering.** Also, then all of you will know how to do it for your own events. **This will start at 5:30.**

3. Concert at the Mabee Farm, also May 17th.

The Mabee Farm will have two bands in the Nilsen Dutch Barn at 7:00pm until 9:00 (main band starts at 8), for its 'Howlin' at the Moon' concert series, which is co-sponsored by DBPS. www.mabeefarm.org go to button on right for Howlin'.

There's a link to a great video of shots in the barn.

Also!! Very Important!!

4. Moving the DBPS Library, also May 17th.

At 3:00 pm, in the Mabee Farm House- Moving the DBPS Library!! The Mabee Farm has constructed a new Education Center- here it is under construction.

Our files & newsletters need to be boxed and carried to our next home in the new Education Center building. This is the perfect time to review our collection of 25 years. [Editorial note from Ned Pratt: and, you can see the [new Education Center](#), designed by DBPS Board Member Keith Cramer.]
